

# THE PREP PROGRAM

Language enrichment classes for children with Down syndrome

## Early Learner Group

**JUNE 3, 2019–AUGUST 30, 2019**

Framed off of the successful program of the same name in Calgary, Alberta – Monarch House is pleased to offer a 12 week program. This program consists of language enrichment classes for children with Down syndrome, the first of its kind in Ontario. The Early Learner Group are classes aimed at supporting the speech, language and motor development of early school-age children. An interdisciplinary team of professionals, including a speech-language pathologist, communicative disorders assistant and occupational therapist will help support your child's development in a rich and interactive learning environment.

**FOR CHILDREN AGES:**  
4 years–6 years

### SPEECH-LANGUAGE PATHOLOGY & OCCUPATIONAL THERAPY CONSULTATION SERVICES

A speech-language pathologist and occupational therapist will provide individual consultations to support speech, language, & motor development.

### SMALL CLASS SIZE

Low child to teacher ratio.

### INCLUSIVE LEARNING ENVIRONMENT

Children will learn in a supportive classroom with peers.
